- (2) Parties shall file a list of witnesses, with a detailed description of the testimony they intend to elicit from each witness and the length of time anticipated for direct examination. Witness lists shall be filed by 3:00 pm, November 10, 2014. The list shall realistic reflect that projected length of the bench trial set forth above.
- (3) Each party shall file a list of the twenty (20) of the most important documents it intends to introduce at trial. That list shall contain a description of each document, its relevance and purpose for trial and shall be filed by 11:00 am, November 10, 2014.
